Conservative County Councillor, Staines

DENISE GETS THINGS DONE

Whether it's getting potholes filled following the recent spate of bad weather, or just a white line for residents parking.

Mrs Ashby wrote *"I was absolutely delighted when Denise organised a white line parking bay for me in my congested road, as well as resurfacing the whole road"*.

Denise has arranged for Sidney Road, Greenlands Road and Leacroft to be completely resurfaced under the recent local programme. Pictured right are Cllrs Denise Saliagopoulos and Carol Coleman lending a hand to fill all those potholes. If residents have any concerns about local roads or other issues concerning them, please contact Denise. Email: Denise.Saliagopoulos@Surreycc.gov.uk

Helping the Community

Age Concern Spelthorne were delighted when Conservative County Councillor Denise Saliagopoulos was able to contribute part of her community grant towards the cost of a new bus -- delivered in time for Easter!

Protecting Your Environment

Following the successful approval last December of the local Borough Plan, the Conservatives secured protection of the Green Belt in Staines at least until 2026. Garden waste wheelie bins collection starts this spring, and is proving highly popular.

All Conservative councils across the land have rejected the Labour government's attempt to introduce waste bin charging. All Spelthorne waste is being properly recycled and not being stored in vast warehouses as some have claimed. **So keep up the recycling!**

Community Action

Denise out and about with Staines Police: she has supported the purchase of two Police bicycles in Staines to assist them in speeding up their beat patrols.

Denise has also been instrumental in the innovative Staines Youth Café. Using part of the neighbourhood grants from Surrey, young people can meet every Friday night at Starbucks in a safe environment, and enjoy subsidised refreshments. Pictured below are Denise and fellow campaigner, Hasan Imam, discussing plans to extend the scheme to Ashford and Sunbury.

Meet Denise at her Staines Library surgery every other Saturday morning from 25th April 2009.
